...meeting HIS mission with media...

Greetings to you from Macon, Georgia!

Our first term has come to an end and WOW God was awesome. As you may remember, the Belgian Government changed their volunteer laws, which resulted in our move from Belgium to Spain. From March to June 2003, our ministry was packed in boxes and moving. We then spent the next year unpacking and setting up our offices and studio's. This year and a half time period, for us, seemed very non productive in the area of reaching the lost for Christ. But God wasn't packed in boxes or setting up office, He was busy using our programs. Here are just a few things He was doing during 2003.

- *The World of Jonathan Singh* was broadcast in Bangladesh, the Middle East, Romania, and elsewhere in more than 40 local cable outlets.
- *Boulevard des Enfants* continued to be broadcast and distributed in Africa, Europe, the Middle East, Russia, and the Ukraine.
- More responses have come from Algeria, where 6 million people say they have seen our programs on SAT-7 who is one of our broadcast partners. Also, 60% of students in the schools say they watch our programs at least once a week.

Thank God for the opportunities he provided through our partners to reach over 70 million people per week with the *Gospel of Jesus Christ*.

It has been a tough transition back here to the States, but God has provided us with some wonderful blessings and we are finally settled into our home.

We trust that you have had a great summer and are ready for the fall, football, return to school, and travel. Travel? Vacation should be over, right? Your traveling may be over with summer's end, but ours is just beginning as we are now involved in full-time missionary itineration and we are very excited to be sharing the next twelve months with you.

Thank you for your prayers and support

*Jonathan and Bonnie Cooper*

P.S. Please pray for God's abundant provisions and a speedy return to Spain.

**LET'S BE CREATIVE IN SETTING UP A MISSIONS SERVICE.**

We never restrict ourselves to only Sunday or Wednesday services within the main sanctuary.

We love speaking to smaller groups: Sunday school, youth, children, singles, women, missions committees, home groups... anywhere!! Just let us know what the opportunity is and we'll try to schedule it.

We can also help you set-up your first missions convention if you'd like.

We will share at any venue!

Please let us be your Missions Resource during the coming year. We are at your disposal to encourage your church to reach a lost world for Christ.
