## Easter in Spain Semana Santa

The Passion of Christ, or Easter Week, known in Spain as Semana Santa is the most important celebration in the country. The festivities begin with the Domingo de Ramos (Palm Sunday) and end with Lunes de Pascua (Easter Monday). It is a celebration of life itself and the whole country comes alive.

Each area, city and town has its own accent on its celebrations. Everywhere, processions make their way through the streets, carrying religious icons and symbols of their faith. They all differ, but in common they all portray life, color, culture, music and dance, all with a very religious meaning.

Although Spain is a very religious country, it is also a very lost country. Spain, the size of Texas, has approximately 7,480 cities, towns, and villages without any Bible believing churches.

**WE  
HAVE  
PROPERTY!**

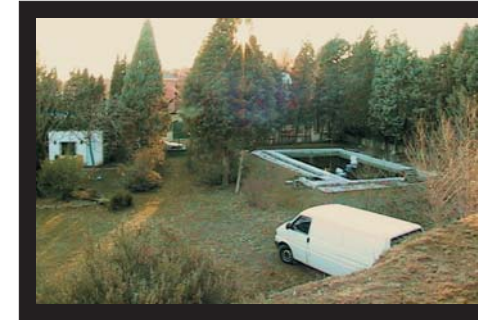

We have asked you to pray for International Media Ministries and its search for property or a already standing permanent facility. Well, our prayers have been answered.

Right next door to our temporary facility, a duplex house, was an open lot. IMM's director, John Merrell, had checked on the property several times, yet it was never for sale. He decided to check on it again and this time, there was a possibility. But IMM had one stipulation, the sale and purchase of the property had to be 100% legal.

The real estate broker that IMM had been working with told us, "if this sale goes through 100% legal, it will be the first time in my 25 years in real estate that it will happen." Well, we know that God was in this purchase. Not only did we purchase the property, but it was a 100% legal deal.

**Praise God! Praise God!!**

## Prayer Requests

1. God will provide our full budget by August.
2. Traveling mercy while we are traveling around Georgia
3. Wisdom for planning the new building that will be built for IMM.
4. Favor with the Spanish Government for outstanding visas. There are a handful of Ma's and Missionaries waiting on their visa to come work with IMM.
5. Wisdom for Jonathan as he is helping install video and sound systems in churches.
