Newsletter for Spring 2010

Dear Partners in Missions:

1 Thessalonians 3:9a, 11-13 states: *What would be an adequate thanksgiving to offer God for all the joy we experience before Him because of you? . . . May God our Father Himself and our Master Jesus clear the road to you! And may the Master pour on the love so it fills your lives and splashes over on everyone around you, just as it does from us to you.*

May you be infused with strength and purity, filled with confidence in the presence of God our Father when our Master Jesus arrives with all his followers. (The Message)

That pretty much sums up how we feel. We are so thankful for all your love, prayers, and support for us over the years! Thank you for partnering with us as we are here fulfilling the call God has placed on our lives.

Ministry to Missionaries from Latin America and the Caribbean

Late last year and early this year we had the opportunity of ministering to all of our Assemblies of God World Missions missionaries and missionary associates from all of the Latin America and Caribbean countries. What a privilege it was to provide them with the training and tools to finish the work of

reaching the lost and forwarding the Kingdom.

Family News

Kara had the privilege of going with me on the Latin America and Caribbean trip. During this trip she had the privilege of working with the Missionary Kids. To the right is a picture of her with one of her groups. She had a wonderful time! We are so proud of her. She will be graduating from High School in May and starting college this August.

Katie has distinguished herself as an artist. She has been doing clay figurines that look very professional. She also is doing well in school.

Kelly continues to do well in school and in her music abilities. She has even begun composing music.

Edie continues to minister weekly in the Rio de Vida Assembly of God church. God has so blessed her in being able to minister in Spanish. She also continues using her artistic talents to bless different local ministries as well as keep chaos to a minimum on the home front.

Upcoming ministry in Panama

We look forward to reporting to you in our next newsletter on ministry plans to our Latin American missionaries. These are missionaries who are trained, supported, and sent from our Latin America countries to other parts of the world. Please pray for us as we provide support to them so that they can better do their job and be more effective in reaching the lost. Along with a general session with the missionaries we plan on providing one-on-one ministry.

Financial Crises

Crises allow us the opportunity to return to the things we know for sure. We know that God has called us to be AG World Missionaries serving here where we currently are. We know that in the 22 plus years we have been AG World Missionaries not once has God failed us financially (or in any other way). We know that our reliance for financial support is not in people or churches, but in God. We need your prayers for a financial miracle. Our financial support is at a crises level. Of course if you want to be part of that miracle, feel free to contact us at (in the US) 1-417-827-6141 or email us at robert.lafon@agmd.org.
